

An abstract artwork featuring a white, textured mask of a human face on the left side. The background is a complex composition of black and white lines, some forming a grid-like pattern, others resembling organic, branching structures. A large, solid blue rectangular area is overlaid on the right side, containing the event title and date. The overall style is graphic and expressive.

Gymnasiums

The background is a vibrant blue. A large, dark, jagged shape, resembling a torn piece of paper or a shadow, frames the text on the left and top. In the center, there is a complex, abstract drawing in white and black lines. It features a central figure that looks like a stylized face or a mask, with many fine, radiating lines around it, suggesting a skull or a highly detailed sculpture. The overall style is graphic and expressive.
